

2022 LHS Membership Campaign!

Your Membership Makes a Difference!

As a member, you are making a significant contribution to support the preservation and education mission of the Lakeside Heritage Society. There has been a significant increase in interest and engagement with our new archives, historic records, and photo collections, in addition to the always popular Heritage Hall Museum. We are working to increase the accessibility of the collections through digitization, creation of finding aids and online access, and continue to increase our educational program offerings. Additionally, we are planning several member-only events and discounts for 2022.

Membership subscriptions generate nearly half of the funding for LHS, complemented by grants and fund-raising events. Please take time to renew your membership for 2022 by completing and returning the membership form with your check or renew online at <https://www.lakesideheritagesociety.org/membership.html>

We are grateful for your support.

Good News -

we have received a ruling from our tax accounting firm - all membership dues and donations are tax deductible.
